It's hard to believe the school year is coming to a close. The good news is that it's time to celebrate all our accomplishments! I have thoroughly enjoyed our theme this year and all we accomplished with our A.N.T.H.E.M. missions. This past semester, during lab time, students worked on a comic strip music composition project! I put together a playlist of all of them, so be sure to check them out. (link below) They are SUPER!

Be sure to read the rest of the newsletter you are informed what is happening over the next few weeks as our semester comes to a close. Thank you for playing your superhero role as a piano parent. I appreciate your support both in lessons and at home.

Musically Yours,  
Jennifer Foxx

P.S. Please [RSVP](#) whether or not your child(ren) will be attending the group lesson/recital party no later than May 10th. I need an appropriate count.

**Who:** Family and Friends

**What to wear:** Students should dress in their concert best. Ladies should wear a dress, skirt or dress slacks with nice blouse. Gentleman should wear nice slacks and a shirt and tie or nice polo shirt or sweater.

**What to bring:** Students should bring their music even if it is memorized.

\*Immediately following the performances will be our yearly awards ceremony. Please plan on staying for the entire recital. I will not be able to make any accommodations to the order in which the student plays in. (Approx. 1-1½ hours)

## School Donation

The spring recital location is made possible by holding it as a “fundraiser” for the pom/dance department. It is very difficult to find affordable locations to perform in the west valley so I’m very appreciative of Ms. Norma Tiongson, the DEHS dance teacher and pom coach for making this possible.

## SURPRISE THE TEACHER!

Learn something new over the summer (a favorite piece you learned, compose your own piece, how to read a lead sheet, naming your note in record time, etc.) and be ready to share and surprise me with it at our fall kickoff in August!

Can't wait to see what everyone surprises me with!

A (dollar for dollar) tax credit form is included at the end of this newsletter.

If you are able, a contribution would be appreciated. You can either give it to me personally to turn in or mail it in directly to the school. The school will then mail you a receipt. (Let me know if you need me to email the form separately)

Thank you!

**COMIC STRIP  
MUSIC  
COMPOSITIONS**

**Congratulations to our Student of the Month!  
Alana aka "Miracle Melody"**

Alana has made great strides this year in piano lessons. Her enthusiasm for learning new things even when not easy has helped her grow! I'm super proud of her progress this year and trying her best. Alana has a great smile and laugh that I love seeing each week when she comes to lessons.

Alana wants to be a chemist when she grows up. She enjoys math and writing. Her favorite thing about learning music is the stories it can tell. Her favorite color is teal, favorite food is sushi and her favorite superhero is Thor.

**Keep up the SUPER work, Alana!**
