Summer and Re-Registration

Our spring semester is coming to a close next month. We had a lot of fun this year time traveling through the past 100 years of music this year. Thank you for all your support in piano lessons this year. I feel so fortunate to be able to teach such a special group of students! We have had a lot of fun with our lessons, performances, learning new pieces, learning about the different musical decades, etc. Now it is time to celebrate all their hard work in Jukebox Journey with our upcoming recital online premiere! Please make sure you mark the date and time in your calendar.

The 2020-2021 re-registration is officially open (links and details below). Please read through everything carefully. **Deadline to turn in summer registration is by April 17th. Deadline to re-register for fall is by May 1st.**

See the calendar below for specific details when fees are due, etc... ***(Remember there is not a regular tuition payment in June or July)***

Musically Yours,
Jennifer Foxx
